**Friends to All** is dedicated to bringing joy, cheer and friendship to seniors in our community during the holiday season. Since 1999 we have been working to meet the needs of those with limited financial resources who are homebound or in care centers with little or no family nearby. Each year we average 150 - 200 visits in the Carson City area!

Our volunteers are grouped into teams dressed as Santa Claus and Helpers to meet seniors in our community delivering a wonderful visit with gifts provided by individuals and businesses. The joy on the faces of those we visit when they open their door and see Santa Claus bringing a gift and having their photo taken with the jolly fellow is quite a meaningful experience!
